**TO ALL  
INTERESTED PARTIES**

## **CALL FOR MARKET CONSULTATIONS № 42543**

**Dear Sirs,**

Kozloduy NPP EAD informs all interested parties that in connection with the preparation for the award of a public procurement contract and determination of an estimate value pursuant to Art.44 of the Public Procurement Act, the plant is collecting indicative proposals for: Procurement of "O-rings" sealing rings for Th Jansen Dy200, Dy400, Dy1600 isolation valves.

The proposals shall include:

- detailed description of the proposed o-rings, as specified in the technical requirements attached herein;
- unit price and total value, VAT excluded, currency;
- information of the term and delivery condition, warranty period;
- information on the manufacturer, catalog information;
- manufacturer's document of representation /authorisation document from the manufacturer authorising the sale/;
- supporting documents accompanying the goods upon delivery:
  - certificates / declarations of conformity of spare parts issued by the manufacturer;
  - drawings and technical conditions;
  - a document with the storage conditions and shelf-life;
- exact address and contact person, telephone, fax, e-mail, internet address.

Inquiries regarding the market consultations may be made by 4 pm on 29 December 2019 at the following e-mail address: [commercial@npp.bg](mailto:commercial@npp.bg). Clarifications shall be published in the Buyer profile - Market Consultations Section.

Deadline for the receipt of the indicative proposals: 16<sup>00</sup> h on 31.05.2019 at e-mail: [commercial@npp.bg](mailto:commercial@npp.bg).

The indicative proposals and any other information exchanged during the market consultations held shall be published in the Buyer profile, Market Consultations Section.

By submitting an indicative proposal, each participant in the market consultations agrees that the proposal and any other information provided as a result of the market consultations shall be made available to the public on the website of Kozloduy NPP EAD.

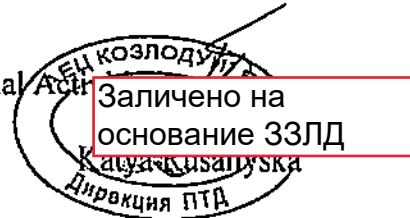

The Contracting Authority retains the rights to use indicative proposals received during the conducted market consultations for the award of public procurement contracts up to the value thresholds as per Art. 20, para. 4 of the Public Procurement Act.

Further information can be obtained from Georgi Kamenov - Marketing Specialist, tel. +359 973 7 2601, e-mail: georgik@npp.bg
