Dear Sir/Madam,

Regarding your market investigation for bobbin and rotating eddy current probes please note that KONHA prices are the following:

1. The bobbin pearl probe present minimal price (probes with different diameters have the same price) is 800 Euro per probe.
2. The rotating probe for the top of the tube sheet has presently price of 2400 Eura per probe.

If you have any further question please contact us immediately.

Faithfully yours,

KONHA CEO

Berislav Nadinic
